

2020 Shepherd Maple Syrup Festival Parade

Enchanted Forest

The celebration of the Maple Syrup Festival is fast approaching again, this year we will be celebrating the 62nd year! As many of you know the Parade is the feature event of the festival weekend! However the Parade is not possible without the participation of businesses, organizations, and groups like you! This event will take its usual route down Wright Ave allowing thousands of spectators to witness the magical event! This event will take place on Sunday April 26th beginning at 2:30 in the afternoon.

We believe it is important to include local involvement from non-profit organizations. In encouraging organizations to participate this year's committee will offer to cover the cost of float building materials (up to \$200) to any non-profit. The float must relate to this year's theme "Enchanted Forest". Please let us know if you would like additional information. To give back to these organizations we also offer prize money for the three best float entries from non-profits in a judging contest!

If your organization chooses to participate in this year's parade please fill out the attached form. If interested in being reimbursed for float materials please check the box at the bottom of the parade form and you will receive follow up papers! Finally if interested in having your float judged for a chance at prize money please check the box so we can plan accordingly!

We look forward to your participation in our enchanted event! Get creative with your ideas, create a float, wear costumes, carry parade signs, form marching units! Can't wait to see all the entries and floats! Let's make this the best Shepherd Maple Syrup Festival Parade yet!

Any further questions please feel free to contact me.
